THE PATHWAY OF LIFE

The last classbell resounded
'Twas music in our ears
But sorrow stabs our heartstrings
And prompts the flowing tears.

Yet, now that all is over
'Tis pleasant to look back,
To dwell upon the pleasures
And hardships of our tracks.

The pathway of life is opened wide
To those who study hard or even strive,
If we would turn our thoughts into this path
We will find success and peace that will forever last.

Tonight we turn our thoughts to hopes anew
And find new friends and things to do,
Our choice is great and we must stand the test
And prove to all the world we did our best.

Our classmates, one and all, will from us depart,
Some to dreams of happiness; some to broken hearts,
So when we're old and gray and think back through our life
May it not be said we gave up amid the strife.

So look ahead to life and pick a dreamland too
And don't give up until your dreams come true,
And then contentment, peace, and rest will then abide
With fulfilled hopes and dreams along the side.

Clifton Forge High School

Published by the Students

FOREWORD

As time rolls on and youthful scenes are changing against the darkening horizon of memory, may we recall through this book the many events of our high school days. Each event has been a stepping-stone—a stepping-stone across the swift-flowing river of life and each bringing us closer to those better things which rise on the other side.

Dedication ...

To Mr. Herman Blankinship, our school superintendent and friend, in recognition of his long years of service and his many contributions to the progress of the school system of Clifton Forge, we respectfully dedicate this issue of the ALLEGHANIAN.

MR. HERMAN BLANKINSHIP

CHEMISTRY LAB

THE CAFETERIA

HISTORY OF CLASS OF 1940

In the fall of 1936 about 90 green freshmen descended upon C. F. H. S. like a cloud. Under the able guidance of the faculty and Mr. Love, the cloud dispersed and was assimilated.

We then began our task of settling down to the four years' work confronting us, by electing Miss Cralle as sponsor.

Our most outstanding social event during this year was a theatre party planned by our sponsor, Miss Cralle, and our president, Dorothy Woodson.

In the fall of 1937 we re-entered C. F. H. S. a little more dignified than the previous year, but with room for improvement. Miss Turner was elected sponsor.

Our Sophomore activities began with a Sophomore dance. This was the first formal dance many of us had ever attended and it has proved to be one of our most cherished memories. In the late spring we climaxed our second year activities with a picnic and swimming party at Douthat State Park.

We entered our Junior year feeling much older and much wiser than ever before, and much more dignified. The girls now carried combs, pocketbooks, and make-up of all kinds to each class, and occasionally the boys wore ties. We could now enter into our Junior activities looking forward to a great year, and we were not disappointed, for this was truly one of the greatest years of our remembrance.

Miss Phillips and Mr. Briggs were chosen as co-sponsors. The class officers were: President, Courtney Lawler; Vice-President, Dorothy Woodson; Secretary, Carolyn Stratton; Treasurer, Bill Halligan.

We made money to entertain our superior classmates, the Seniors, by giving a dance in the fall of the year. Our next social was a theatre party. We saw "Pygmalion," which was educational and was enjoyed by all.

We received our Junior pins and everyone was pleased with them.

In May, 1939, we chose our Senior rings. The rings are different this year as they have a black set instead of the usual blue or red. The national emblem, the eagle, is on each side. (THE RINGS HAVE CHANGED HANDS MANY TIMES SINCE THEIR ARRIVAL).

With the arrival of September, 1939, we began our final year of work. It was then that we realized our past work was not done in vain, and now, as never before, that the time was passing much too swiftly. We fully realized that the remainder of our time should be spent in making memories that would be pleasant for us to look back on in later life.

Our first major event was the Senior play. This play, "Trouble in Paradise," was presented to a large and appreciative audience by a capable cast on December 7. After the performance the cast was entertained at a buffet supper and dance by Marian Myers.

So far the only other social affair was a dance given by the Seniors for the entire school.

This is our history, though briefly stated. In the history of the class of 1940, just as in any history, there are a number of dates that will be remembered. As the ALLEGHANIAN goes to press, we will be looking forward with much pleasure to the Junior-Senior Prom, the Senior banquet, and the last three nights as members of the Clifton Forge High School student body.

By WILMA LAYTON.

Burger, Lawrence
Barks, Ryland

Ranking as the largest, and one of the most outstanding clubs in Clifton Forge High School, the Beta Club has grown to a membership of fifty-two. The club, a part of the National Honorary Society, was introduced into C. F. H. S. in the latter part of 1937 with Mr. E. F. Overton as sponsor.

The year 1939 has been a red-letter year in the history of the Clifton Forge Club for several reasons. The club members have attempted to present the Beta Club not entirely as a very dignified organization, only for "bookworms," but as a union of school spirited students interested in getting the most out of school intellectually and socially. More emphasis is put on social interests now than formerly with the view that more ambitious students will want to obtain membership in the club and will strive toward this honor.

Two assembly programs have been presented before the student body this year: one of the programs in keeping with American Educational Week, and the other, the tapping service for new members.

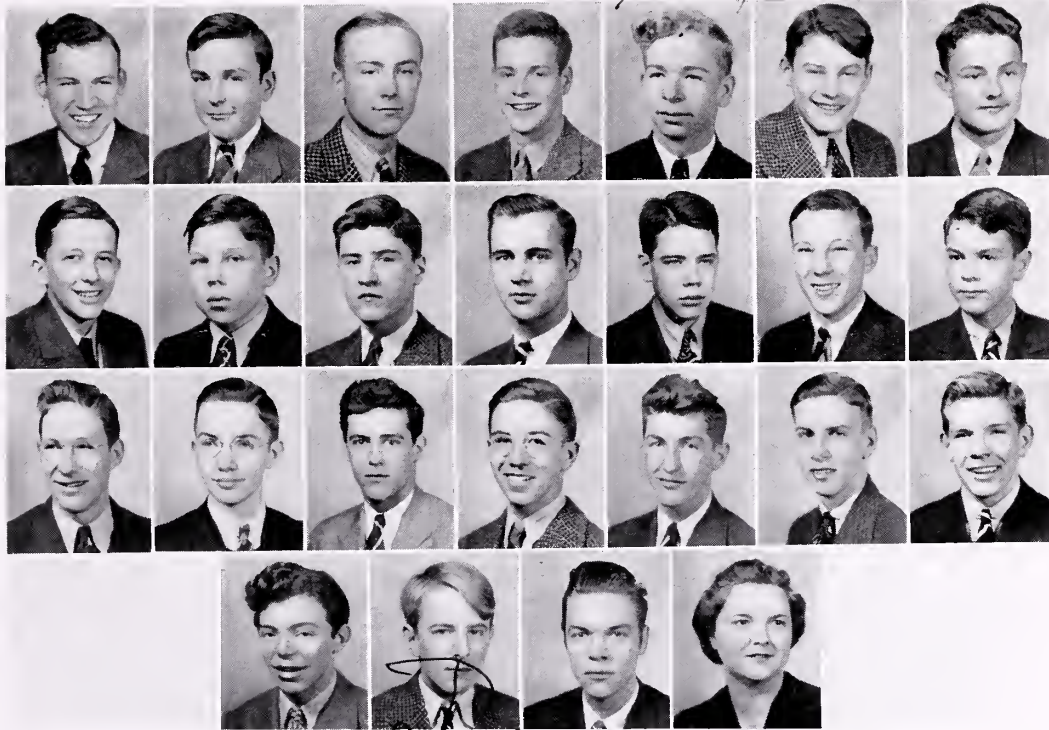

Between Christmas and April the club accomplished about four definite objectives:

1. Presented a Christmas basket of food to one family.
2. Entertained Covington basketball teams and Beta Club with a dance after the game.
3. Initiated new members taken in at the beginning of new spring term with a party in the music room.
4. Were represented at Convention held in Roanoke the week-end March 29-30.

The requirements for membership have been raised from an 88 average to 90 and the individual must make a 3.5 citizenship rating and belong to at least one extra-curricular activity.

With Miss Dorothy Steele as sponsor and with the encouragement and cooperation of students, nothing should prevent the Clifton Forge Beta Club from obtaining even higher marks of success.

*Best wishes
and lots of love
Harold*

Miss Linkinhoker

Although the Boys' Glee Club has greatly missed Mr. Overton, the organizer and leader of the club, it has progressed much under the leadership of Miss Virginia Linkinhoker, who took over for the club at the request of the members.

The club was honored at being asked to sing for the Parent-Teachers Association at the first meeting of the year.

The Harmony Club and the Boys' Glee Club gave a very successful assembly program together.

The Glee Club has also had the honor of singing at the Presbyterian Church, Baptist Church, and Methodist Church.

The boys started the spring term successfully by singing for the Girls' Hi-Y of Covington in the new High School building.

A very successful year was climaxed by the club's wonderful performance in Richmond.

A special tribute should be paid to Miss Virginia Linkinhoker for the wonderful work she has done with the club this year, and to Buddy Proffitt for being a very successful president.

The Dramatic Club's activities have been rather limited this year, due to late organization and the loss of last year's sponsor. We elected Miss Steele as our faculty advisor and enrolled new members in January.

With this as a starting point, the club has made steady progress in its projects. Some of these projects included food sales, the study of dramatics, and presentation of an assembly program.

OBJECTIVES OF THE CLUB ARE:

1. The personal development of individual girls—personality, leadership, initiative, character, good behavior, poise, graciousness.
2. To form a connecting link between the school and the home.
3. To develop an appreciation of the field of home economics—its function in the life of the high school girl, and of the vocational opportunities based on home economics training.
4. To assist in the development of the home economics department.
5. To cooperate with organizations and in all activities of the school.

The Club has tried to help the community by fixing a Christmas Box for the needy people in this city. This has been one of the interests of the Club each year. In addition to this the Club had a food sale. The returns from this sale were good and through this sale the club was able to have individual pictures in the ALLEGHANIAN. The Club also sponsors one assembly program each year.

Sponsor, Miss Sue Baker

"To create, maintain, and extend throughout the high school and community high standards of Christian character" is the purpose of the Girls' Hi-Y Club. This organization, composed of thirty-one selected members, with Miss Esther Sue Baker, Miss Katie Wilson, and Mrs. L. F. Higgins, as sponsors, meets each alternate Tuesday in the parlor of the city Y. M. C. A.

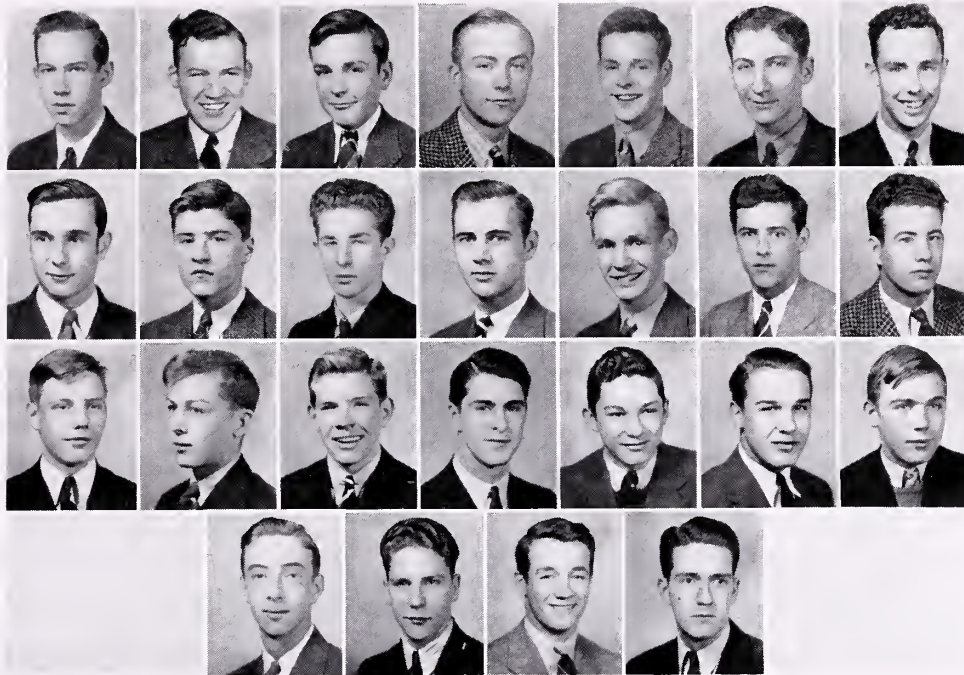

Through the spirit of cooperation and good-will existing among the club members, a number of outstanding accomplishments have made this school year of '39-'40 seem successful as far as the Girls' Hi-Y is concerned.

Sale of candy at the ball games, a food sale, and dues have put the club on a sound financial basis. A Thrift Fund has brought in enough money to leave the school a much needed gift—coverings for the furniture in the music room.

A summary of the chief accomplishments of the organization includes:

1. An impressive candlelight service to introduce new members.
2. Favors for hospital trays on Christmas Day.
3. Food and toys to needy families at Christmas.
4. Tea for members of last year's club.
5. Participation in convention at Culpeper, March 15-17.
6. Bible study course with Mrs. L. F. Higgins, teacher.
7. Play in assembly.
8. Visits and distribution of magazines at the C. & O. Hospital.

This year's Boys' Hi-Y Club is led by Fay Lawler, who has served well and faithfully. Through his efforts and the efforts of the entire club we have had a most successful year. As usual the club gave its Christmas dance for the entire school and also other smaller informal hops. During the Christmas season we presented the Boys' Home near Covington with a check for twenty-five dollars, from funds made during the fall. In February thirteen members attended the district convention at Lynchburg. Here we learned more of Hi-Y from classes and had a really swell time. The club project for the year was to see that school property was protected and kept clean and neat. We were successful in our project. We have tried to serve as mediators between students, who have gotten out of step, and the administration. As this is written we are making plans for a Bible study course and a trip to the joint convention in Culpeper.

Buddy Proffitt was elected State President of the Boys' Hi-Y Convention to be held next year.

We are looking forward to next year and new projects to complete.

Every team to be successful needs encouragement, and for this reason the Pep Club was organized. The club has in every way possible tried to provide this encouragement.

Of the 19 members, five were chosen to lead the cheers at all the major athletic contests, and they accompanied the team to Lynchburg, Covington, Staunton, Harrisonburg, and Lexington.

The whole club was invited to join the football boys in their annual banquet that closed the gridiron season. This banquet, the first of its kind in the history of C. F. H. S., was a great success.

The activities of the Junior Classical League for the '39-'40 semester include the play, *Dido and Aeneas*, produced by the fourth year class and put on in assembly. The project for all the classes this semester is reproduction of a Roman house built and completely furnished by all the Latin students. Work has also begun on collecting the material for the Latin paper which is published by the club every year.

Schaeffer

Saxophones:

Butler, Sara
Dickson, Harold
Scott, Marion
Surber, Martha May

The Orchestra, under the direction of C. F. Adams, had a very successful year.

At the beginning of the year the members adopted a Constitution which stated the way the members must act at practice. It also provided for the penalties to be imposed on the members who violated the laws.

On the night of April the twelfth, the Orchestra with the other musical clubs of the high school gave a concert in the High School Auditorium. The Orchestra played a group of popular, classical, and semi-classical pieces. Among the selections on the program were: "Aloha Oe," one of the more well known Hawaiian songs; "Bublichki," a Russian song; and "Tchaikowsky Themes," a medley of favorite themes. The concert was enjoyed by all who attended.

The Orchestra had charge of the Assembly Program on April the eighteenth. Popular songs and songs of the lighter classics made up the program. The popular numbers played were: "My Prayer," "Scatter-brain," "Blue Orchids," and "South of the Border." The other selections were: "A Trip Through England," a group of well-known English tunes; "Prayer," the children's prayer from "Hansel and Gretel"; and "The March of the Peers," from Iolanthe. The students and faculty seemed to enjoy the classical selections as well as the popular selections.

THE FOOTBALL SEASON

With a great crowd of enthusiastic supporters, a fine cheering squad, efficient coaches, and a string of football players ready to fight to win, how could a team lose? Suffering only one loss during the whole season, and this against the strong Glass High eleven, the Clifton Forge Mountaineers ended the football season as mythical champions of the Class B schools of the State. The contest for the Class B title was played at Big Stone Gap. It resulted in a 0-0 tie. The Mountaineers defeated the Fredericksburg "Yellow Jackets," the Eastern Champions; therefore, they were judged to have the best claim to the State title.

Captain Courtney Lawler had at his command the following regulars:

Buddy Rogers, star fullback, who has what it takes when it comes to hitting the line.

Harry Tucker, fastest man on the team, who played a bang-up game all the time and who shows great promise for starring in 1940.

Jack Blain, a "crack" tackle, who will captain the 1940 squad.

Guilford Stanley, alert and dangerous tackle, who was the most consistent player on the team.

Max Walker, 156 pounds from Hinton, who really showed that he had ability as a football player.

Fay Lawler, one of the smallest men but one of the handiest fighting men around.

Max Harvey, who had his heart and soul in every minute of action.

Willis Woods, a stocky signal caller, who was always willing to go the limit to win.

Bill Topping, who played fine football for his first season as regular center.

Ernest Cahoon, an able and blasting guard, who always played for keeps.

Cecil Simpson, Bob Showalter, Fred Driscoll, Jim Preston, Chalmer Hall, Blair Craft, Richard Roberts, and Bobby Garland proved their football talent many times as subs.

The green and gold uniforms were used for the last time in the '39 season when Clifton Forge battled Hinton in a Thanksgiving Day charity game sponsored by the Clifton Forge and Covington Lions Clubs. The tilt took place on the Westvaco field, and was known as the "Mountain Bowl" Game.

The Hinton "Bobcats" proved victorious by a 19-7 score, but it was in this post-season game that "eleven little iron men" made their best showing.

The season ended with the annual football banquet at the Y. M. C. A.

BUDDY ROGERS Guard	MR. KAY Coach

Only one letterman, Harry Tucker, returned to the basketball court for the '39-'40 season, but "Pop" Kay came out with a squad of well-trained regulars and a line of competent subs. Subs included George Bales, Bobby Bradley, Buddy Proffitt, Bob Love, Jack Kern, Richard Roberts, and Bill Halligan.

Tucker was injured during the early part of the season, and his services were greatly missed.

Max Walker, a letterman who moved here from Hinton, was the star of the team, scoring a total of 161 points during the season. He alternated between guard and center positions.

Bob Showalter, a transfer letterman from Central High, showed class in his playing and proved of great value to the team.

Harold Campbell, a tall, lanky lad who saw much service on last year's team, rendered valuable service at center and forward.

Buddy Rogers and Courtney Lawler played the guards, both hitting the hoops consistently and playing a good defensive game.

George Bales, a first-year man, proved his worth to the team, as did Buddy Proffitt, Bobby Bradley, Robert Love, and others.

The season as a whole was not so successful, but the experienced subs will form a seasoned team next year.

This year the girls' basketball team was under a new coach, Miss Kyle Carson. Under her coaching the girls, who have been called "Bloomer Girls" in recent years, came out of the doldrums and played a better than average game of basketball.

Captain Wilma Layton and Dreama Chambers led the Mountainettes in scoring and were aided defensively by Farrah Chambers, Henrietta Hoylman, Helen Tucker, Jean Slusser, and Kathleen Gaylor. Mary Via, Erma Hall, and Evelyn Dudley proved capable as substitutes.

The record was five wins and seven losses, which was not so bad in the light that Covington was defeated once and the second game was very close. Six girls will be lost by graduation, but Coach Carson is sure replacements can be found. Many girls reported this year for practice but were lacking in experience.

We are looking forward to next year when we expect an even better season.

Best wishes and a happy new year for G. K. Beckner

BOXING

The boxing team for 1939-1940 began work on December 5th. Since there had been no team in 1938, not much was expected in the way of victories by the coach. There had been, however, a team in 1937, and a few of the members of that team were on hand to give the benefit of seasoned veterans to a squad woefully inexperienced. With the first dual meet however, the team developed winning ways, and continued through a better than average season despite the loss of such stars as Bill Craft, Dicky Huffman, and Billy Gibson. Its only loss was sustained at the hands of the Miller School's veterans, when, without the services of four regulars, the Mountaineers were beaten, 5½ to 3½.

Outstanding for the Green and Gold throughout the season were Buddy Wade, undefeated in three starts, Chester Moore, winner of four bouts out of four, two of which were knockouts, and Willis Woods, undefeated and South Atlantic High and Prep School Champion in the 135 pound class. Champion Woods built up an imposing string of three victories that included knockouts in four matches.

Coach W. T. Briggs expects to have a good team for next year, with a schedule of about ten dual meets.
